Captain Dean W. Bressler  
Office of the Commanding General  
Governors Island  
New York 4, N. Y.

Dear Dean,

I hate to keep adding to your workload but this is a modest request which someone in your office can handle for you.

If you are having new calendars drawn up and photostated for 1951, would you ask them to run off a couple of extra copies and send me two for each month. It is a rather laborious job of drafting to make new ones and since I believe that you and Lowry and Cox will have to have them I feel that we can save the tax payers a little money by asking you for photostatic copies rather than having the local draftsman do them up down here. If, on the other hand, you have already had them run off and there are no extra copies just forget this request.

Sincerely,

STAT
